

找回密码

参训教师忘记密码，可以在登陆界面找回密码。

输入用户名和验证码，选择“手机找回密码”。

找回密码

1:验证身份 > 2:重置密码 > 3:成功

The screenshot shows the '找回密码' (Recover Password) page. It has a progress indicator at the top right: '1:验证身份 > 2:重置密码 > 3:成功'. The main form contains two input fields: '请输入用户名' (Please enter username) with the value '18205556636' and '验证码' (Verification code) with the value '0689'. To the right of the verification code field is a CAPTCHA image showing the number '2954' and a '看不清楚' (Can't see clearly) link. Below the input fields are two buttons: '手机找回密码' (Recover password via mobile) and '邮箱找回密码' (Recover password via email). A red arrow points to the '手机找回密码' button.

输入手机收到的验证码，重新设置新密码即可。

找回密码

1:验证身份 > 2:重置密码 > 3:成功

The screenshot shows the '找回密码' (Recover Password) page. It has a progress indicator at the top right: '1:验证身份 > 2:重置密码 > 3:成功'. The main form contains two input fields: '新密码' (New password) and '确认密码' (Confirm password), both with masked characters. To the right of the '新密码' field is a green checkmark. Below the input fields is a '安全程度' (Security level) indicator showing a red bar and the word '弱' (Weak), with a suggestion: '建议您使用英文、数字混合的密码并增加长度。' (We recommend using a password with English and numbers and increasing the length). At the bottom is a '确定' (Confirm) button.
